

# Kroger Gift Card

In cooperation with Kroger, JYSA United is delighted to participate in a fundraising opportunity for players. Kroger has a gift card that is rechargeable. Once you receive your gift card, any cashier at the retailers can recharge your card with cash, check or credit card for any amount up to \$500.00. The card can be used on all purchases at the store including groceries, gas, and prescriptions. *(Upon receipt, cards have a cash value of \$5.00 each)* Players are encouraged to order multiple cards for use by friends and relatives. Cards requested will be credited to the players/families account.

### Here is how It Works:

- Tell us how many cards you want. Once you receive the cards, start shopping!
- Kroger Gift Card donates 4% of all of your purchases back to JYSA United. The club in turn credits your families account as outlined below. If you have more than one player in the club, the credit t applies to the younger child account.
- JYSA United on your behalf, we will apply 4/5 of the amount received from Kroger to your account, while 1/5 will be used to assist with scholarships and other club expenses.
- The cut off dates for credits are:

Purchases	
<b>Fall Season</b>	<b>November 1 thru April 30</b>
<b>Spring Season*</b>	<b>May 1 thru October 31</b>

\*For Spring only teams, players will receive all credit available to them.

- Any questions please contact Terri Joliet at the contact information below.
